### AT NIGHT I SEE THE TWINKLING STARS

*\*whole body movement  
rhyme*

At night I see the twinkling  
stars (Holding hands over  
head, wiggle fingers to  
make them twinkle)

And the great big shining  
moon (Circle arms over  
head)

My Mommy tucks me into

neath chin)

And sings a goodnight

### Going to Bed

This little child is going to bed (point to self)

Down on the pillow she lays her head (rest head on  
hands)

She wraps herself in a blanket tight (hug yourself)

And this is the way she sleeps all night (close eyes,  
nod head) Zzzzzzz...ZZZZZZZZZ

Morning comes, she opens her eyes (raise head,  
eyes open wide)

Off with a toss the covers fly (fling arms wide)

Soon she is up and dressed and awake (jump up)

Ready for fun and play all day (clap hands and turn in  
a circle)

### Good Night!

One fluffy quilt on my  
bed,

Two little pillows on my  
head,

Three teddy bears to  
hold tight

Four kisses from my  
mom for a restful night,

Five hugs from my  
dad,

And off goes my light,  
Good Night!
